

Standing on the Shoulders of Giants: How Can We Leverage What We Have Learned to Advance Meniscus Research?

8:00 AM – 8:05 AM	Welcome and Introduction Suzanne Maher, PhD , ORS Meniscus Section Chair
8:05 AM – 8:20 AM	Breakout Rooms: Ice-Breakers and Networking <i>Hosted by:</i> ORS Meniscus Section Communications and Networking Committees
8:20 AM – 8:40 AM	<i>A Career Pushing the Bounds of Possibilities and Perspectives on What Lies Ahead</i> Farshid Guilak, PhD , Washington University in St. Louis Moderator: Matthew Koff, PhD , Hospital for Special Surgery <i>15 minute talk followed by 5-minute Question & Answer Session</i>
8:40 AM – 9:00 AM	<i>Bioreactors: Controlling the Mechanical and Chemical Environment to Enhance Tissue Formation (What We Have Learned and What is on the Horizon)</i> Larry Bonassar, PhD , Cornell University Moderator: Chat Jayasuriya, PhD , Rhode Island Hospital/Brown University <i>15 minute talk followed by 5-minute Question & Answer Session</i>
9:00 AM – 9:10 AM	Meeting Break/Presentation: <i>Get to Know Your ORS Meniscus Section Members & Labs.</i>
9:10 AM – 9:30 AM	<i>Pushing the Limits of Integration</i> Robert Mauck, PhD , University of Pennsylvania Moderator: Amy McNulty, PhD , Duke University School of Medicine <i>15 minute talk followed by 5-minute Question & Answer Session</i>
9:30 AM – 9:50 AM	<i>Realities of Manufacture for Tissue Engineered Solutions</i> Mary Clare McCorry, PhD, Advanced Regenerative Manufacturing Institute (ARMI) Moderator: Jennifer Robinson, PhD , University of Kansas <i>15 minute talk followed by 5-minute Question & Answer Session</i>
9:50 AM – 10:25 AM	Breakout Room Discussions: <i>5 Key Unanswered Questions and 5 Challenges</i> <i>Each room discussion will be led by each invited speaker and moderator.</i>
10:25 AM – 11:00 AM	Section Business Meeting/Wrap Up

Breakout Rooms

All meeting attendees will be able to join any breakout room during icebreakers/networking and group discussions.

The following breakout rooms will be hosted by:

- **EUROPA:** Farshid Guilak, PhD; Matthew Koff, PhD; Sonia Bansal, PhD
- **TITAN:** Larry Bonassar, PhD; Chat Jayasuriya, PhD; Jay Patel, PhD
- **OBERON:** Robert Mauck, PhD; Amy McNulty, PhD; Salomi Desai, MS
- **CALLISTO:** Mary Clare McCorry, PhD; Jennifer Robinson, PhD; Andy Seitz, PhD
- **Main Meeting Room:** There will be a presentation of the *Get to Know Your ORS Meniscus Section Members & Labs.*

Section Scientific Meeting Notes/Takeaways

Follow us on Twitter (@ORSSociety) and share why you are attending, post key takeaways, interesting or new information, ask questions about session content, and much more!
