

**ORS Orthopaedic Implants Section  
2021 Scientific Meeting**

Saturday, February 13, 2021  
8:15 AM – 11:15 AM (Pacific Time)  
during the ORS 2021 Annual Meeting

**ORS 2021  
ANNUAL MEETING**  
All Access • February 12–16, 2021

**WE'VE GONE  
VIRTUAL**

- During the first two hours we will focus on shoulder and ankle arthroplasty. For each of the artificial joint replacements we invited a clinician, researcher, and industry representative to review current challenges and, together with attendees to develop recommendations that could improve clinical success rates.
- In the second part, we will review current implant registries to critically assess their strengths and weaknesses and, again together with attendees to develop recommendations for improvements and future registry targets.

8:15 AM – 8:20 AM
